

Call for selection

LM C-VET GRANTS 2022 Learners Mobility to Europe

Application deadline: **30 June 2022**

With the support of the European Union, for the Africa-EU Partnership,

F.U.T.A. Secondary School

provides opportunities for recent graduates in the fields of study of Tourism and Hotel Services, Agriculture or Food Processing to undertake a period of training abroad in the frame of the project *Overstep* (EAC – 2019 – 0572).

"*Overstep: a joint alliance to develop a mobility scheme and share best practices between African and European VET systems*" is a project supported by a transnational partnership composed of 3 European VET providers and 10 African VET School/training providers covering all African regions.

AIMS OF THE PROGRAMME:

Overstep will involve 200 African learners, among students and recent graduates, from schools based in 10 different African countries: current students and recent graduates, once selected, will participate in a mobility scheme to European countries, in order to have an experience on-the-job. They will develop technical-professional skills, knowledges and abilities related to their specific professional profiles (defined in Units of Competence), as well as linguistic and transversal ones, required by the labour market, that would make more competitive their employment capacity.

The mobility in Europe will aim at satisfying specific training needs, related to the following sectors:

- **Tourism and Hotel services:** services for tourists (reception-hotel) and their promotion, including the design of products to enhance the resources of the territory;

- **Food Processing:** organization of animal and vegetable production, transformation and marketing of its products and use of biotechnology;
- **Agriculture:** organization and management of productive, transformative and valorising activities of the sector.

The work-based training paths will be tailored to a careful analysis of the needs highlighted by each one of selected learners, taking into account the level of participants.

ACTIVITIES

10 Students recent graduates in F.U.T.A. Secondary School programs will be selected for a **90-day training** experience at an European company, which operate in the sectors of Tourism and Hotel services, Agriculture or Food Processing.

They will attend a **cultural preparation course** held by experts about the specific context, as well as about the culture and traditions of the host country.

Moreover, the learners will attend a **vocational orientation course** organized by the school tutors on the professional profiles that will be the subject of training abroad.

It will be provided a **linguistic preparation course** in blended learning mode. The participants, based on the results of a level test, will follow a training course that will include, in addition to basic grammar, exercises and simulations of daily life, both in formal and informal contexts. A specific focus will be dedicated to the micro-language used in the field of Tourism, Food Processing and Agriculture.

DESTINATIONS

Eligible applicants will carry out their mobility activity in number of:

- **2** selected candidates to **France**
- **3** selected candidates to **Italy**
- **3** selected candidates to **Malta**
- **2** selected candidates to **Spain**

DURATION OF THE MOBILITY

The mobility will have a duration of **90 days, plus 2 days of travel**. Mobility scheme for learners should start from October 2021 (unless changes due to force majeure).

REQUIRED QUALIFICATIONS
